

FTW Esless Palmer

Zeus completed his first competitive season this year, running in four trials and placing twice, including a first place at the West Midland Field Trial Society's Novice Stake. He is a naturally biddable dog with a genuine, honest nature. His speedy outrun and even faster return make him a joy to watch, and his stylish hunting action is matched by an emerging talent as a reliable game finder.

Throughout the shooting season, Zeus is out picking up twice a week, every week, and also works walkedup rough shooting days, giving him a wealth of practical experience at a young age. He is now a proven sire.
